

LEADERSHIP HANOVER

Leadership Hanover, presented by the Hanover Chamber Foundation, is an interactive and informative program to encourage and guide individuals through leadership philosophy and skills for the betterment of their participation in business, communal and civic efforts. The program is intended for those in a transitional phase of their careers, individuals who are emerging into a leadership role or transitioning into/desiring their next level of leadership.

This 9-month program will include sessions on creating and forwarding a vision, effective communication and delegation, leadership skills and development, team building, personal branding and business networking, local and state government involvement, inclusive leadership and engaging within your community to affect change and growth.
